

Sampling Heads

Diesel Particulate Matter (DPM): Samplers and Cassettes for Sub-micron Dust

DPM samplers en cassettes voldoen aan de eisen van NIOSH 5040 en de MSHA specificaties voor het bemonsteren van dieseldeeltjes.

Omschrijving	Verpakt per	Artikelnummer
Cyclone cassette 25mm for use with 225-69	Each	225-62
Cyclone cassette 37mm for use with 225-69-37	Each	225-62-37
Rubber grit pots	10	225-64
Stainless steel grids without tab 25mm for use with 225-69	10	225-66
Stainless steel grids without tab 37mm for use with 225-69	10	225-66-37
Filter transport cassette 25mm	Each	225-67
DPM plastic cyclone 37mm	Each	225-68
Plastic cyclone with 25mm plastic cassette (runs at 2.2L/min)	Each	225-69
Plastic cyclone with 37mm plastic cassette (runs at 2.2L/min)	Each	225-69-37
DPM cassette with 0.8µm impactor	10	225-317
Without impactor, standard 3-piece clear styrene cassette loaded with 37-mm heat-treated quartz filter, support pad, banded, meets NIOSH 5040 specifications	50	225-401
GS-3 Multi-inlet Cyclone with bowl adapter, cassette adapter, and grit pot 37 mm	Each	225-100
GS-3 Multi-inlet Cyclone with bowl adapter, cassette adapter, and grit	Each	225-103

Meetapparatuur voor professionals

Omschrijving	Verpakt per	Artikelnummer
GS-1 Single-inlet Cyclone includes bowl adapter, 37-mm cassette adapter, and grit pot	Each	225-105
Replacement Cassette Adapter, for GS-3 and GS-1 Cyclones 25mm	Each	225-101
Replacement Cassette Adapter, for GS-3 and GS-1 Cyclones 37 mm	Each	225-102
Three-piece Filter Cassette Blanks 37 mm	10	225-3LF
Three-piece Filter Cassette Blanks 25mm	50	225-3-25LF
Filter Cassette/Cyclone Holder includes 3 feet of 1/4-inch ID Tygon tubing and a 25-mm adapter ring, for attaching a DPM or standard filter cassette to a worker's clothing in the breathing zone. May be used with or without a cyclone, required when using the GS-1 Cyclone with the DPM Cassette	Each	225-1
Replacement grit pots for use with GS1 and GS3 cyclones	25	P225012
Standard-size Multi-purpose Calibration Jar	Each	225-111
25-mm Respirable Dust Aluminum Cyclone, with grit pot Three-piece cassettes are required for use with SKC Aluminum Cyclones	Each	225-01-01
37-mm Respirable Dust Aluminum Cyclone, with grit pot Three-piece cassettes are required for use with SKC Aluminum Cyclones.	Each	225-01-02
Calibration Chamber, for 25 and 37-mm cyclones	Each	225-01-03
Replacement Grit Pot	25	P225011
